to the pay scales, time-bound promotions etc., if so, the details thereof and since when these are in force; and

(b) if there are some disparities therein; what are details thereof and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b) The physicians of Indigenous System of Medicine and Homoeopathy and allopathic doctors employees under C.G.H.S are deriving similar benefits with regard to the pay scales and all allowances etc.

However, the physicians of Indigenous System of Medicine and Homoeopathy are not getting time bound promotions. In 1990 a High Power Committee was set up to look into career improvement and cadre restructuring of the practitioners of Indigenous Systems of Medicine. The Committee recommended the following promotional avenues for practitioners of Indigenous System of Medicine and Homoeopathy:—

(1) The post of Superintendent, Ayurvedic Hospital may at present be opeerated in the functional scale of Rs. 4500-5700.

(2) Nine posts may be provided in the CMO's grade (through upgradation of MOs posts) for manning the existing nine dispensaries under ISM&H and one post of CMO may be provided for the Ayurvedic Hospital, Lodhi Road, New Delhi.

(3) Fifty per cent of the posts which are at present available for operating the ISM&H system may be provided in the senior time scale and above.

(4) The three posts of Deputy Advisers in Ministry of Health and Family Welfare may be upgraded from Rs. 3000-5000 to Rs. 3700-5000 and merged in the cadre of CMOs.

All the above mentioned recommendations of the Committee have been accepted.

Disparity in payscale and promotional Avenues of Scientists in ICMR

1505. SHRI N. GIRI PRASAD: Will the PRIME MINISTER be pleased to state:

(a) whether there is any disparity in the pay scale and promotional avenues of the scientists employed in the Indian Council of Medical Research Councils of Ayurveda, Siddha, Unani medicine, Yoga and Homoeopathy; and

(b) if so, the details thereof and the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) and (b) The pay structures between the Research Councils of Ayurveda, Siddha Unani Yoga and Homoeopathy are different from the pay structure of the Indian Council of Medical Research. A statement of the various posts and the corresponding pay scales in the Central Councils for Indian System of Medicine and the pay scales for different levels in the ICMR are enclosed (*See* below). The pay scales between the various Central Councils of Research under the Indian System of Medicine and ICMR are different because of the fact that the recruitment rules for the various posts under these two Council are different. Minimum educational qualification experience, etc. prescribed for various posts in ICMR and different Councils of Research for Indian Systems also are different.

Statement

A Statement showing pay scales of Scientific Posts in Central Council for Research in Ayurveda and Sidha

Posts of senior research fellow in Homoeopathy

1506. SHRI CHATURANAN MISHRA: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the posts of Senior Research Fellow in Homoeopathy in the Central Council for Research in Homoeopathy are tenure posts; if so, the details thereof; and

(b) whether some of the persons who have completed their tenure have been reappointed and given the same fellowship; if so, the reasons therefor?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) The posts of Senior Research Fellow in Central Council for Research in Homoeopathy are tenure posts for a period of three years.

(b) There has been one case wherein a person was appointed on a different project after his tenure had come to an end in an earlier project. This was done to utilise his experience.

Scheme under Rural Health Services in Uttar Pradesh

1507. SHRI RAJ NATH SINGH: Will the PRIME MINISTER be pleased to state:

(a) what are the names of the schemes under Rural Health Services in Almora District of Uttar Pradesh;

(b) what are the details of the work done under these schemes during the last three years;

(c) what targets were fixed for Rural Health Service during the last three years and to what extent the same have been achieved; and

(d) the funds provided under the schemes for the above mentioned district during the Eighth Five Year Plan period?

THE DEPUTY MINISTER IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRI PABAN SINGH GHATOWAR): (a) to (d) District-wise allocation of funds, schemes and implementation of same is done by the State Government.

Aids patients in U.P.

1508. SHRI RAJ NATH SINGH: Will the PRIME MINISTER be pleased to state:

(a) the number of HIV (positive) patients detected so far in U.P.;
